Praetorius Christmas Mass

Conductor: Ross Brownlee

Saturday, November 21, 2015 at 8 pm and Sunday, November 22, 2015 at 3 pm
Westminster United Church (745 Westminster Avenue)

For our 20th anniversary gala concert, enter the court chapel in Dresden on December 25, 1620. You will hear a Lutheran Christmas Mass by Michael Praetorius, just as it would have been performed on that day. This was a major event with storytelling, drama and joy, featuring two choirs, large choruses, eight soloists, 18 period instruments – the works! Early music specialist Ross Brownlee is leading this glorious presentation with Camerata Nova singers, the Westgate Collegiate Concert Choir, the Encore Quartet and other local soloists, and top early music instrumentalists from Montréal, Winnipeg and elsewhere. Don't miss this rare opportunity to hear (and participate in!) this spectacular choral experience!

Early music master Christopher Jackson from Montréal returns to lead us in an *a cappella* concert of the music of modern mystic John Tavener and (he claims) his great-great-great...grandfather, composer and singer John Tavener. In addition to great motets by both Tave(r)ners, we will feature composers from each era, including early works by Thomas Tallis and William Byrd and contemporary pieces by James McMillan and Gavin Bryars. This will be a serious, delectable sing!

WE'RE 20 YEARS OLD!

Camerata Nova started with a few former choirboys from All Saints' Anglican Church gathered informally around a bowl of pretzels to share a bottle of red wine and sing the Renaissance music of their youth. Who would have thought that the group would eventually morph into a professional mixed chamber ensemble that has become one of the top choirs of Winnipeg? Camerata Nova is now known as the most eclectic and innovative classical vocal group in the city.

HIGHLIGHTS OF OUR 20 YEARS:

- Since 1996, we have created over 50 productions, most of them performed twice and all of them unique.
- We have been invited to perform at numerous festivals, including Winnipeg's New Music Festival, Indigenous Festival, Agassiz Festival and Festival de la chanson française, as well as Prairie Scene Festival in Ottawa.
- We have commissioned and premiered some 40 new Manitoba choral works since 1996.
- In 2006, our *Northern Lights* concert was the first to feature Aboriginal music, and the first to be recorded and broadcast by CBC Radio 2. CBC has subsequently broadcast six of our concerts.
- Over the years, Camerata Nova has collaborated with Winnipeg Symphony Orchestra, Virtuosi Concerts, Canzona, Winnipeg's Contemporary Dancers, Manitoba Chamber Orchestra and Festival du Voyageur, among others. We have also reached out to other genres including folk, jazz, rock and ethnic artists, Inuit throat singers, and electronica composers.

OUR ANNIVERSARY PROJECTS
In addition to our concerts and guest appearances this year, we are proud to announce that we are initiating our own education outreach program with Frontier School Division. We are also planning the production of a short documentary about the group, and maybe, maybe a new CD!
